

VR48 CNC Router

VISION
ENGRAVING & ROUTING SYSTEMS
A Company of Western Engravers Supply, Inc.

Increase Capabilities & Business Profits!

This heavy-duty router can produce accurate, repeatable, cost-effective work in considerably less time than it takes to do the same work by hand. Featuring our integrated state-of-the-art Vision Series 4 Controller and our graphically advanced Vision PRO software, this machine is perfect for a wide variety of applications including milling, drilling, contouring, and routing.

Applications Include:

- Routing out wood signs
- Cutout letters
- Control panels
- Cutting out sheets of material up to 4' x 8'
- 2 ½D and 3D signs in sign foam, wood, and more
- ADA-compliant signage
